Such representation shall be required if any duties of the consultant included communications concerning business of a state or quasi-public agency, whether or not direct contact with a state agency, State or public official or State employee was expected or made.

(b) 3.** Such representation shall include the following information for each consulting agreement listed: the name of the consultant, the consultant’s firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former State employee or public official, such representation shall indicate his or her former agency and the date such employment terminated.

**14. (c)** If a contractor refuses to agree to the representations required under subsections (a) and (b) of Section 4a-81 of the Connecticut General Statutes, then the state agency shall not award the contract to such contractor and shall award the contract to the next highest ranked contractor or seek new ITB responses.

**15.** Section 4-252 (the “Statute”) of the Connecticut General Statutes requires that the ITB solicitation, of which these Standard Terms and Conditions are a part, include a notice of the contractor representation requirements described in the Statute. Accordingly, pursuant to the Statute, contractors are notified as follows:

**15. (a)** The terms “gift,” “quasi-public agency,” “state agency,” “large state contract,” “principals and key personnel” and “participated substantially” as used in this section shall have the meanings set forth in Section 4-250 of the Connecticut General Statutes.

**15. **15. (e)** Any respondent that does not agree to the representations required under Section 4-252 of the Connecticut General Statutes shall be rejected and the state agency or quasi-public agency shall award the contract to the next lowest responsible qualified bidder or seek new bids.

Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement. If there is any change in the information contained in the most recently filed certification, such person shall submit an updated certification not later than thirty days after the effective date of any such change or upon the submittal of any new bid or proposal for a state contract, whichever is earlier.
  - ii. **19.** Sections 4a-60 and 4a-60a of the Connecticut General Statutes require that this ITB solicitation of which these Standard Terms and Conditions are a part include a nondiscrimination affirmation certifying that the contractor understands the obligation of Sections 4a-60 and 4a-60a of the Connecticut General Statutes that require contractor to maintain a policy for the duration of the contract to assure that the contract will be performed in compliance with the nondiscrimination requirements of subsection (c) of 4a-60 and subsection (b) of 4a-60a. ## **SOLICITATION SELECTION CRITERIA**

### *Solicitation Award Methodology*

DAS may award by individual item, group of items, or the entirety of all items. DAS may also reject any and all solicitation responses in whole or in part, and waive minor irregularities and omissions if, in the judgment of DAS, the best interest of the State will be served.

### *Lowest, Responsible Qualified Respondent*

Pursuant to CGS 4a-59 and DAS Procurement Regulations 4a-52-8 and 4a-52-18, the award shall be made to the lowest, responsible qualified Respondent. The following factors, in descending order of relative importance, will be considered in the evaluation to determine the lowest, responsible qualified bidder:

- a. Pricing
- b. The conformity of the supplies, materials, equipment or contractual services to the specifications
- c. Bidder's past performance
- d. Bidder's financial responsibility
- e. Delivery Terms

## *Micro Business Preference*

The contract resulting from this solicitation will be awarded to the lowest responsible qualified Respondent. The qualities of articles to be supplied, their conformity with the needed specifications, their suitability to the requirements of the State government and the delivery terms will be taken into consideration, and the life-cycle costs and trade-in or resale value of the articles may be considered where it appears to be in the best interest of the State. In determining the lowest responsible qualified Respondent, a price preference of up to ten per cent (10%) may be given for the purchase of the goods or services from micro businesses, or up to fifteen per cent (15%) in the case of "veteran-owned" (as described below) micro businesses. Micro business means a business with gross revenues not exceeding three million dollars (\$3,000,000) in the most recently completed fiscal year. To be considered for the ten percent (10%) price preference, Respondents must submit prior to the solicitation due date a copy of their Internal Revenue Service tax return form for the most recently completed fiscal year, confirming the amount of their gross revenues for that fiscal year. Failure to provide such tax return prior to the solicitation due date will deny Respondent consideration for the ten per cent (10%) price preference. For Respondents who have not yet filed their tax return for the most recently completed fiscal year, in lieu of a tax return, a letter from a Certified Public Accountant attesting to the Respondent's gross estimated revenues for the most recently completed fiscal year will be accepted. To be considered for the fifteen per cent (15%) price preference, Respondents must submit prior to the solicitation due date a copy of their current certification from the Connecticut State Department of Veteran Affairs as to both "veteran-owned" and "micro business" status. "Veteran-owned" micro business means a micro business of which at least fifty-one per cent (51%) of the ownership is held by one or more "veterans" of the "armed forces." In accordance with Section 27-103(a) of the Connecticut General Statutes, "veterans" means any person honorably discharged, or released under honorable conditions, from active service in the armed forces and "armed forces" means the United States Army, Navy, Marine Corps, Coast Guard and Air Force and any reserve component thereof, including the Connecticut National Guard. Interested Respondents may obtain the Certification Application by visiting: [www.ct.gov/ctva](http://www.ct.gov/ctva) and selecting "Veteran Owned Micro Business" option. Failure to provide such certification prior to the solicitation due date will deny Respondent consideration for this price preference.
